

CLARK COUNTY SCHOOL DISTRICT *Environmental Contest* Community Partnership & Curriculum and Professional Development

Minjia Yan - 2010 Middle School Winner

Tarkanian Middle School Students

Tarkanian Middle School Students

“Fashion Trashion”™ Environmental Contest

Your school is invited to enter the 2011 Environmental Youth Summit Fashion Trashion Environmental Contest.

FASHION TRASHION Show Contest:

1. All schools and students at the High School, Middle School and Elementary School level are invited to enter the Nevada Fashion Trashion Show Contest.
2. Students participate by creating fashion outfits made entirely out of materials that would otherwise be thrown away. The objective is to create interesting, fashionable and useable outfits from recycled materials.
3. Each school will hold their own Fashion Trashion Show. You will choose up to three entries to represent your school at the Environmental Youth summit on May 21 at the College of Southern Nevada. The Environmental Youth Summit will showcase all finalists. Winners will be chosen from the High School, Middle School and Elementary School levels.
4. Winners will win exciting prizes!

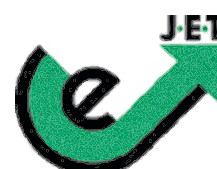

The Fashion Trashion Show is a fun and creative way to engage our younger generations to look to creative ways to recycle and thereby help to create a positive impact on the environment.

Sponsored by NV Energy, Plastic Free Ocean, College of Southern Nevada, Jet World Recyclers, America's Schools Program and CCSD School-Community Partnership Program
