

STOP!

Recycling your empty toner cartridges has a significant impact on the environment! Each empty toner cartridge you recycle will save approximately 2 1/2 lbs of plastic, steel, aluminium, and rubber from our landfills.

Do the environment good - recycle today. Just follow these simple instructions:

1. Pack your toner cartridges into any box you might have or an existing recycling box. Please place inkjet cartridges into a plastic bag before placing in box to prevent leakage. You may tape several toner boxes together if you do not have a box.
2. Cut the bottom portion of this prepaid mailing label and apply it over any existing label.
3. Please complete the "Return Address" to ensure the proper schools and partners receive credit for your contribution.
4. Give the box to your US Postal Service carrier, or take it to a Post Office.

THANK YOU

If you have any questions or comments, please call us (800) 345-4025, ext. 2 or visit: www.americas-schools.org/recycling
